A Grand Opening Event for the Finney Interpretive Overlook

Tuesday, Nov. 15, 2005

3 to 4 p.m.

**3950 Byrd Street, San Diego
Behind Finney Elementary School**

**After the ceremony, guests can enjoy refreshments
and view park amenities.**

The Finney Interpretive Overlook will provide spectacular views of the Otay Valley Regional Park. By adding an ADA compliant access ramp and walkway to this prominent overlook on the river valley's south side, residents will soon be able to enjoy watching the regional park take shape. The Finney Overlook will include two small amphitheatres with interpretive shade structures, benches, tables, and landscaping. Adjacent to the Finney Elementary School, the project will also provide an area for outdoor education.
